

PRO XD

BUILT TO WORK

The Pro XD is built to withstand the toughest worksites without compromising safety or uptime. Engineered from the inside-out for jobsite compliance and backed by Polaris® innovations—Pro XD commercial utility vehicles provide industry-leading safety, durability, and serviceability.

WHY PRO XD?

SAFETY

- Speed limit adjustments—Limit top speeds to as low as 15 mph for jobsite compliance
- Backup alarm
- Orange seat belts and decals for high visibility
- Tight-sealed cab to keep dust and weather out
- Mechanical parking brake (diesel models)
- Horn and backup alarm
- Poly roof for additional protection from jobsite hazards (optional)
- Wide-angle rearview mirror (optional)
- Fire extinguisher holder (optional)
- Roof strobe light, work lights, and spotlights for increased visibility (optional)

DURABILITY

- Three engine options for optimal power
- Kevlar®-backed seats resist punctures and tears
- 8-ply jobsite tires are designed for hard-packed terrains
- Heavy duty, automotive grade driveline components increase the vehicle's life expectancy
- 1,000 - 2,075 lbs. payload capacity
- 500 2,500 lbs. towing capacity
- Rust-free, dent-free poly cargo bed can haul up to 1,250 lbs.
- Premium bumpers, rock guards, mud guards, and A-arm guards (optional)

SERVICEABILITY

- Low oil pressure, parking brake engagement, belt slip, and engine overheat warning alarms notify users of potential issues—Preventing serious vehicle damage and costly repairs
- Common key sets and tire sizes for simplified fleet management
- Up to 200-hours certified maintenance intervals for less in-field maintenance and service costs
- Quick-and-painless daily maintenance checks with easy-access oil dipstick and air filters
- Front air intake prevents dust ingestion, promoting a longer air filter life and better engine performance

PRO XD FULL-SIZE GAS

Two passenger powered by the Polaris ProStar 1000cc gas engine

PRO XD FULL-SIZE GAS CREW

Four passenger powered by the Polaris ProStar 1000cc gas engine

PRO XD FULL-SIZE DIESEL

Two passenger powered by the Kubota® 24 horsepower diesel engine

PRO XD FULL-SIZE DIESEL CREW

Four passenger powered by the Kubota® 24 horsepower diesel engine

PRO XD MID-SIZE GAS

A more compact two passenger powered by the Polaris ProStar 570 DOHC gas engine

PRO XD MID-SIZE GAS CREW

A more compact four passenger powered by the Polaris ProStar 570 DOHC gas engine

PRO XD—THE INDUSTRY LEADER FOR WORK UTVS

If you want to get the job done right, you need the industry leader. Pro XDs are the safest, most durable commercial UTV in the market. Safety is our #1—That’s why Pro XDs are engineered to meet and exceed jobsite safety and compliance, and provide top hauling and towing capacities when compared to competitors. Built from the ground up with the toughest driveline components and tires in the industry, and backed by Polaris technologies and innovations—Pro XDs will be running long after the competition is stuck in the shop—providing you with a high ROI and low TCO.
